## Arizona Governor Addresses Mesa Chapter

The Mesa Chapter held their June meeting at Sir George's Buffet on Main Street. Governor Evan Mecham of Arizona was the speaker. Seventy-five members turned out to hear the Governor, who gave an interesting address. The Governor, who speaks in an off-the-cuff, informal manner, held the undivided attention of the group.

Waldo Lesueur was program chairman for the meeting.

The ever-active, ever-enthusiastic chapter sponsored a trek to Colonia Juarez and Colonia Dublan on June 25th to June 28th. They traveled into Mexico by private car caravan and had a successful visit.

Mesa Chapter is to be congratulated on their active program.

## Gov. Evan Mecham Attends Mesa SUP Meeting in June

The first L.D.S. Governor of Arizona, Evan Mecham, accompanied by his wife, Florence, was the speaker at the June 8th meeting of the Mesa Chapter of the Sons of Utah Pioneers. Mesa Chapter members were greatly pleased and honored with their presence.

Governor Mecham reviewed his own family history through which they are sons and daughters of Utah Pioneers.

He recalled the circumstances of their ancestors in Nauvoo in the year 1846 where they were required to make a choice from three alternatives: First - Stay in Nauvoo and be mobbed and persecuted and probably killed; Second - Stay in Nauvoo and denounce the church; or Third - Cross the frozen river and join the Mormon Trek West.

Governor Mecham was proud to state that they crossed the river and joined the Westward Trek.

Then, after relating a few personal experiences he has had as the Governor of Arizona, he spoke on the U.S. Constitution and what it means to us as citizens of the United States and members of the Church.

He had four brothers and three sisters. He attended school at Wallsburg through the 8th grade. His father was a farmer, so he was raised on a farm until he married Marjorie Ann Kummer July 15, 1950 at the home of Bishop Carl Batty. They moved to Midvale, Utah, where he was employed by Kennecott Copper. His father had a heart attack so they were forced to move back to Wallsburg to help his father with the farm and milking the cows until his father was able to recover to do his farm work again. There they had two sons. Terry Lee was born May 5, 1951 and baptized March 5, 1960. Garn Jay was born Sept. 14, 1953 at the Heber City Hospital and was baptized Jan. 3, 1963.

Garn was employed by Geneva Steel and he also remained helping his father. Three years later he had a car accident on his way to Geneva on April 19, 1954, when his automobile went off into the Provo River where he drowned. He was buried at Wallsburg,

Utah. At this time Marjorie was left with two babies to raise, Jay was six months old and Terry one and a half years old.

Marjorie was born on Feb. 19, 1933 at Center Creek. She was the daughter of Lawrence (Tom) and Della Thompson Kummer. She attended school at Wasatch High and finished the 10th grade. Marjorie loves picnicing and camping. The thing she likes the most is having fun where ever she goes. She loves to read good books.

She now works for the Social Service as an aide helping the elderly and the crippled people that can't do for themselves. They can remain in their homes with her help. She knows this is her mission here on earth serving the Lord, doing for others and making others happy.
